EARTH HOUR 2021

Every effort counts when it comes to environmental conservation.

In support of **Earth Hour**, The Refinery will **switch off all non-essential lights for one hour from 8:30pm till 9:30pm** on Saturday, 27th March, to raise awareness of climate change.

We invite you to take part in this event together. Should you come to visit the Club during the captioned timeslot, we kindly ask for your understanding on the one-hour lights-out arrangement.
