THE BEST CAMERA IS THE ONE THAT'S WITH YOU
A MOBILE PHOTOGRAPHY WORKSHOP WITH SCOTT A. WOODWARD

Photography is a conscious creation that requires experimentation and practice. Let international award-winning photographer Scott A. Woodward guide you on this journey where you will acquire skills and tips on the art and science of photography.

Save the date for Scott's Mobile Photography Workshop if you're keen on fine-tuning and exploring this area of interest. The workshop will focus on the camera that's always with us – our mobile phone and how we can get the most out of this visual storytelling device. During this interactive session, Scott will share his creative journey and demonstrable insights, tips, tricks and hacks to get the most out of your camera phone and move your mobile photography from good to great.
