FRANCIS FORD COPPOLA WINE DINNER

Francis Ford Coppola Winery, the Sonoma County winery known for its superior level of quality and integrity, will premiere here at The Refinery!

Founded by the legendary Hollywood director for which it is named, Francis Ford Coppola Winery is a celebrity in its own right. With two wineries located in Geyserville, California, in Sonoma County, Coppola creates award winning wines that celebrates the director's film and family history.

One of the highlights of this Wine Dinner is Archimedes 2019. Archimedes is sourced from high elevation vineyards within Alexander Valley. Blending the fruit from four vineyards, they achieve a wine of power, intensity and balance. Dark and dramatic in colour, the 2019 Archimedes presents robust aromatic impressions of toffee and dark roasted coffee. Rich, smooth tannins complement a full array of flavours, including char, tobacco, liquorice, clove, cassis, caramel, and intense, juicy plum notes - each contributing to the complexity of a stunning and sophisticated vintage.
