

BUGLIONI WINE DINNER

Alfredo Buglioni and his son Mariano chose to devote themselves to winemaking, with the aim of becoming one of the reference winemakers in Valpolicella Classico, northwest of Verona, Italy.

"Wine is more of a passion for us. You have to follow nature, and you must touch everything" This strong passion leads the Buglioni family to produce distinctive and elegant wines with both native Valpolicella grapes and other more unusual and almost forgotten ones that highlight the authentic character of the territory.

Join us on 24th March for our next wine dinner, featuring some outstanding Buglioni wines paired with Chef Jacky's delicate dishes.
