

MIZUNARA TASTING EXPERIENCE DISCOVER PREMIUM WHISKY AND CRAFT SPIRITS

We are delighted to invite The Refinery Members to an exclusive evening: From Whisky to Craft Spirit – Mizunara Tasting Experience.

Mizunara presents a curated selection of 20 distinctive craft spirits, spanning rare, limited editions and approachable daily drams, available for tasting and purchase onsite at privileged member pricing. Guided tastings will feature rare Mizunara expressions alongside celebrated Islay malts and refined Japanese whiskies. Guests will journey through six distinctive Japanese styles, including Kanosuke, and experience the smoky intensity of Kilchoman from Islay.

The evening's highlight is the **Pōkeno Exploration Series No. 01 Totara Cask**— a world first and a true rarity, as New Zealand single malts are seldom seen on the market. Matured in native Tōtara wood casks, traditionally reserved by Māori for carvings and construction, this pioneering release redefines whisky maturation. Awarded **Gold Medal, 95 points at the 2024 IWSC**, it represents a landmark in innovation and craftsmanship.

As an exclusive gesture, each guest will be extended an HKD \$200 credit toward their first bottle purchase, seamlessly redeemable against the event ticket.
